Amor fati (lit. "love of fate") is a Latin phrase that may be translated as "love of fate" or "love of one's fate". It is used to describe an attitude in which one sees everything that happens in one's life, including suffering and loss, as good or, at the very least, necessary, in that they are among the facts of one's life and existence, so they are always necessarily there whether one likes ...

Make goals. Goals give us a more positive outlook on life. Research has shown that setting a goal can make you feel immediately more confident and hopeful, even if you don't achieve the goal right away. Setting goals that are personally meaningful to you and align with your values will help you achieve them and move forward in your life.
