If the music above is at about your level, then I know of one huge classical music collection that will knock your socks off! (so to speak. . .) It's the "Library of Easy Piano Classics" (there are two volumes in the series) and it is one of the only collections of easy classics that I recommend. Excellent arrangements (that's kinda important, eh?), perfect clarity on the page, spiral binding ...

21st-century classical music is art music, in the contemporary classical tradition, that has been produced since the year 2000.. Some elements of the previous century have been retained, including postmodernism, polystylism and eclecticism, which seek to incorporate elements of all styles of music irrespective of whether these are "classical" or not—these efforts represent a slackening ...
