Take to the Skies. Every day, millions of people board flights bound for destinations across the United States and around the globe. Unfortunately, navigating sprawling airports and negotiating cramped planes makes traveling by air an uncomfortable experience for most passengers, and it can prove to be downright daunting for those with mobility challenges and other disabilities.

Dehumanization or an act thereof can describe a behavior or process that undermines individuality of and in others. [citation needed] A practical definition refers to it as the view and treatment of another person as if they lack mental capacities that we enjoy as human beings. Here, every act or thought that treats a person as less than human is an act of dehumanization.
