Now for the water! Take a few of your open pine cones and place them in a container of water for at least an hour. Have your child describe what the pine cones look like at the beginning and/or write it down in their science journal.

Momma Owl's Lab: The Pine Cone Experiment

A discussion main models on the spontaneous origin of life that aims to show how cellular complexity could have gradually emerged from simple systems “ in contrast to the sudden appearance of complexity that creationists claim to have been necessary at the beginning of life. Central issues like the composition of the early atmosphere of the Earth and the origin of the homochirality of amino ...
