The point of no return (PNR or PONR) is the point beyond which one must continue on one's current course of action because turning back is physically impossible, prohibitively expensive, or dangerous. A particular irreversible action (e.g., setting off an explosion or signing a contract) can be a point of no return, but the point of no return can also be a calculated point during a continuous ...

viii FOREWORD In the past, rigorous Yogic (mystic) discipline, which was not an end in itself, helped to so clarify the mind as to enable it to reason most correctly. But such discipline is almost impossible under present conditions. The modern mental outlook is pre-eminently scientific owing to the great progress that science has made. And the best method of freeing the mind from its inaccurate ways of thinking is
