The Project Management Body of Knowledge is a set of standard terminology and guidelines (a body of knowledge) for project management. The body of knowledge evolves over time and is presented in A Guide to the Project Management Body of Knowledge (the Guide to the PMBOK or the Guide), a book whose sixth edition was released in 2017. The Guide is a document resulting from work overseen by the ...

CTY introduced The Spatial Test Battery (STB) in 1995 to aid in the identification of scientific and mathematical talent. The types of items included on the STB have been

### **What is spatial ability? Why is spatial ability important?**

Inconsistent with Hypotheses 1, 2, and 5, none of the quadratic interaction terms was a significant predictor of quality of life. In other words, the relation between balance and quality of life did not differ as a function of total time, total involvement, or total satisfaction across work and family roles.
