Engineering the Future - Prek 12

stronger project management practices for the future. "Good project management discipline stopped us from spending money on projects that fail," says Ron Kasabian, general manager at global IT giant Intel, Folsom, California, USA. Tighter budgets and fewer resources mean less money for the innovative projects that help move the company forward.

The Value of Project Management

Vision Statement Definitions and Examples (compiled by Anna McGowan and Jan ... It could be a vision of a part of your life, or the outcome of a project or goal. Vision statements are often confused with mission statements, but they serve complementary purposes. ... common vision of the future.
