Reader's Digest is an American general-interest family magazine, published ten times a year. Formerly based in Chappaqua, New York, it is now headquartered in Midtown Manhattan. The magazine was founded in 1922, by DeWitt Wallace and Lila Bell Wallace. For many years, Reader's Digest was the best-selling consumer magazine in the United States; it lost the distinction in 2009 to Better Homes and ...

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials! They are especially good lists for ELL and ELD students and are great to ...

A recent large-sample analysis investigated the association between several named chronic pain conditions and suicide. This analysis provides suggestive evidence that thousands of patients who have been diagnosed with a psychiatric condition called –psychogenic pain– may have been placed at greater risk of suicide by the diagnostic label itself.
