With more critical reading coverage than any other composition reader, Reading Critically, Writing Well helps students read for meaning and read like a writer, and it guides them to use what they've learned in their writing. Each of the book's 8 assignment chapters includes a specific guide to reading that challenges students to analyze the author's techniques as well as a step-by-step ...

english Language arts Literacy in History/social studies

The earliest forms of written communication originated in Serbia (VinÄ•a culture), followed by Sumer, located in southern Mesopotamia about 3500-3000 BCE. During this era, literacy was "a largely functional matter, propelled by the need to manage the new quantities of information and the new type of governance created by trade and large scale production".
