Peer-mediated Instruction for Secondary Students (Go for it) Jade Wexler, University of Maryland and Deborah Reed, University of Iowa Alert Issue 25, Spring 2016. According to the authors, peer-mediated instruction is a broad term for an instructional format that requires same-age peers to take on roles and follow a systematic procedure to learn content and/or improve skills.

Secondary education covers two phases on the International Standard Classification of Education scale. Level 2 or lower secondary education (less common junior secondary education) is considered the second and final phase of basic education, and level 3 (upper) secondary education is the stage before tertiary education. Every country aims to provide basic education, but the systems and ...

In scholarship, a secondary source is a document or recording that relates or discusses information originally presented elsewhere. A secondary source contrasts with a primary source, which is an original source of the information being discussed; a primary source can be a person with direct knowledge of a situation, or a document created by such a person.

An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.
