Agents of Structural Change: The Role of Firms and

abstractWho introduces structural change in regional economies: Entrepreneurs or existing firms? And do local or nonlocal establishment founders create most novelty in a region? We develop a theoretical framework that focuses on the roles different agents play in regional transformation. We then apply this framework, using Swedish matched employerâ€™employee data, to determine how novel the ...

Agents of Structural Change: The Role of Firms and

6 Structural Transformation and Export Diversification in Southern Africa bulk of the economy reduce the chances of structural transformation and technological change. In this framework, structural transformation can generate both static and dynamic gains. The static gain is the rise in economy-wide labour productivity,

Structural Transformation and Export Diversification in

In this paper we examine the product space and its consequences for the process of structural transformation. We argue that the assets and capabilities needed to produce one good are imperfect substitutes for those needed to produce other goods, but the degree of asset specificity varies widely.
