Brainwashing (also known as mind control, menticide, coercive persuasion, thought control, thought reform, and re-education) is the concept that the human mind can be altered or controlled by certain psychological techniques. Brainwashing is said to reduce its subject's ability to think critically or independently, to allow the introduction of new, unwanted thoughts and ideas into the ...

Homeschooling, also known as home education is the education of children at home or a variety of other places. Home education is usually conducted by a parent or tutor or online teacher. Many families use less formal ways of educating. "Homeschooling" is the term commonly used in North America, whereas "home education" is commonly used in the United Kingdom, Europe, and in many Commonwealth ...
