### **\*PDF\* Religious Human Rights In Global Perspective**

In the human rights mission, religion has played its part right from the start in two ways. First, freedom of worship (or non worship) is one of the fundamental human freedoms. Strikingly, realisation of this freedom is particularly problematic in a multi-religious context as absolutism easily permeates organised Faith.

### **Religion and Human Rights: A Dialectical Relationship**

The relationship between religion and human rights is both complex and inextricable. While most of the world's religions have supported violence, repression, and prejudice, each has also played a crucial role in the modern struggle for universal human rights.
