Preface: The issue of the Catholicism and the canon of Scripture is an issue of authority and determination of Truth, and thus this preface is provided. It is also often asserted by Roman Catholics that they gave the world the Bible and thus they are the infallible interpreters of it, but even if it could be said that the Catholic church of Trent was the same as that of the first century (which ...

The origins of the Huns and their links to other steppe people remain uncertain: scholars generally agree that they originated in Central Asia but disagree on the specifics of their origins. Classical sources assert that they appeared in Europe suddenly around 370. Most typically, Roman writers' attempts to elucidate the origins of the Huns simply equated them with earlier steppe peoples.

Thank you very kindly, my friends. As I listened to Ralph Abernathy and his eloquent and generous introduction and then thought about myself, I wondered who he was talking about. It's always good to have your closest friend and associate to say something good about you. And Ralph Abernathy is the ...
