Wikipedia can be a great tool for learning and researching information. However, as with all reference works, Wikipedia is not considered to be a reliable source as not everything in Wikipedia is accurate, comprehensive, or unbiased. Many of the general rules of thumb for conducting research apply to Wikipedia, including:

In a film crew there are two kinds of best boy: best boy electric and best boy grip. They are assistants to their department heads, the gaffer (in charge of electricals) and the key grip (lighting and rigging), respectively. In short, the best boy acts as the foreman for his department. A woman who performs the duties of a best boy may be called best girl.
