Roblyer & Doering, Integrating Educational Technology into

desirability of enhancing learning by integrating theory and practice, or classroom and field, within professional degree programs in human services education or other degree programs. A review of these literatures appears below.

Enhancing Learning by Integrating Theory and Practice

Now that our level of learning, understanding and integrating is different, some teachers will shy away from the use of technology for educational purposes. Access : The lack of effective access to technological tools has also acted as a great barrier towards the effective use of technology in education.
