romantic relationships in islam pdf

An intimate relationship is an interpersonal relationship that involves physical or emotional intimacy. Although an intimate relationship is commonly a sexual relationship, it may also be a non-sexual relationship involving family, friends, or acquaintances.. Emotional intimacy involves feelings of liking or loving one or more people, and may result in physical intimacy.

Usage. In the present day, the word miscegenation is avoided by many scholars, because the term suggests that race is a concrete biological phenomenon, rather than a categorization imposed on certain relationships. The term's historical use in contexts that typically implied disapproval is also a reason why more unambiguously neutral terms such as interracial, interethnic or cross-cultural are ...
