scaling up summary and pdf

Now Available: The District Capacity Assessment. The DCA is an action assessment designed to help educational district leaders and staff better align resources with intended outcomes and develop action plans to support for the use of effective innovations.

State Implementation & Scaling-up of Evidence-based

In computer graphics and digital imaging, image scaling refers to the resizing of a digital image. In video technology, the magnification of digital material is known as upscaling or resolution enhancement.. When scaling a vector graphic image, the graphic primitives that make up the image can be scaled using geometric transformations, with no loss of image quality.
