Social policy is an academic discipline focusing on the systematic evaluation of societies' responses to social need. It was established in the early-to-mid part of the 20th century as a complement to social work studies. One can reasonably argue there is not a single clear and comprehensive definition of social policy. This is probably because social policy is more an area of study than a ...

Definitions. Social theory by definition is used to make distinctions and generalizations among different types of societies, and to analyze modernity as it has emerged in the past few centuries.: 10 Social theory as it is recognized today emerged in the 20th century as a distinct discipline, and was largely equated with an attitude of critical thinking and the desire for knowledge through a ...
