The societal marketing is a marketing concept that holds that a company should make marketing decisions not only by considering consumers' wants, the company's requirements, but also society's long-term interests.. The societal marketing concept holds that the organization's task is to determine the needs, wants, and interests of a target market and to deliver the desired satisfactions more ...

Societal and cultural aspects of autism come into play with recognition of autism, approaches to its support services and therapies, and how autism affects the definition of personhood. The autistic community is divided primarily into two camps; the neurodiversity movement and the autism cure movement. The neurodiversity movement believes autism is a different way of being and advocates against ...
