### **What is Science and the Bible?**

Fact: The Bible uses the phrase "the ends of the earth" to mean "the most distant part of the earth"; this does not imply that the earth is flat or that it has an edge. ( Acts 1:8 ; footnote) Likewise, the expression "the four corners of the earth" is a figure of speech referring to the entire surface of the earth; today a person might use the four points of the compass as a similar metaphor.
