Modern republicanism is a guiding political philosophy of the United States that has been a major part of American civic thought since its founding. It stresses liberty and unalienable individual rights as central values, making people sovereign as a whole; rejects monarchy, aristocracy and inherited political power, expects citizens to be virtuous and faithful in their performance of civic ...

American civil religion is a sociological theory that a nonsectarian quasi-religious faith exists within the United States with sacred symbols drawn from national history. Scholars have portrayed it as a cohesive force, a common set of values that foster social and cultural integration. The very heavy emphasis on nondenominational religious themes is quite distinctively American and the theory ...
