Coaching within the team is an occasional activity. Not when it's at its most effective. In reality, the more coaching becomes integrated with day-to-day activities and processes, the greater and more lasting its impact on performance.

Coaching the team at Work - David Clutterbuck

The effective coach or mentor agrees with the client the boundaries of their coaching or mentoring work, and is aware of other resources and networks beyond these boundaries. 3 The client sets the agenda and is resourceful. Centre stage in the learning relationship is the client and their agenda.

1 What is effective coaching and mentoring at work?

Coaching the Team at Work Much has been written about coaching individuals, yet there has been little investigation of coaching teams at work. Even in organisations that have made strides towards becoming coaching cultures, the focus has been on the individual, not the team.
