Positive Behaviour for Learning (PBL) is a school-wide behaviour initiative currently in use at a number of western Sydney schools. It employs a whole school systems approach to address problem behaviour and reduce its effects on student outcomes and on the school community as a whole. PBL encourages positive behaviour from students, which has been shown to improve their self-concept and ...

Current definitions of literacy frequently refer to multimedia and multimodal texts, and there are references to such materials throughout the draft version of the new national English curriculum. It is therefore timely to consider how teachers can become familiar with and confident in their use of multimodal texts in the classroom. The authors identify areas of professional learning of ...
