The decorative arts are arts or crafts whose object is the design and manufacture of objects that are both beautiful and functional. It includes interior design, but not usually architecture. The decorative arts are often categorized in distinction to the "fine arts", namely painting, drawing, photography, and large-scale sculpture, which generally produce objects solely for their aesthetic ...

Blackamoor is a European art style from the Early Modern period depicting highly stylized figures, usually African males but sometimes other non-European races, in subservient or exoticized form. Blackamoor is often found in sculpture, jewelry, furniture, and decorative art. In the Iberian peninsula historically this word does not exist.

The fire pit is outstanding and solid. I thought the cabinet was wood but it's actually metal. The cover for the

pit is a great bonus. I purchased bungee cords to keep the cover secured due to wind in Cali.
