The Journal of Anesthesia is the official journal of the Japanese Society of Anesthesiologists. This journal publishes original articles, review articles, special articles, clinical reports, short communications, letters to the editor, and book and multimedia reviews.

Journal of Anesthesia – incl. option to publish open access

General Editorial, Legal and Ethical Issues. Authorship Anesthesiology follows the ICMJE Recommendations for the Conduct, Reporting, Editing and Publication of Scholarly Work in Medical Journals to define the criteria required for authorship. All authors must have made substantial intellectual contributions, including: a) participating in the design, execution, analysis, and/or interpretation ...

Instructions for Authors | Anesthesiology | ASA Publications

An electronic health record (EHR), or electronic medical record (EMR), is the systematized collection of patient and population electronically-stored health information in a digital format. These records can be shared across different health care settings. Records are shared through network-connected, enterprise-wide information systems or other information networks and exchanges.
