Fine Art Photography is photography created in accordance with the vision of the artist as a photographer. Using photography as a medium to bring something to life that only lives in the artist's mind. Simply capturing what you see in an artistic way is the art of photography and not creating fine art.

The Atelier Studio Program of Fine Art focuses primarily on teaching fine draftsmanship and painting skills leading to the creation of well constructed artwork. The Atelier has passed on from teacher to student, a method of instruction which melds formal academic training with influence of the French Impressionists.

The Fine Art of Mixing Drinks is a book about cocktails by David A. Embury, first published in 1948. The book is noteworthy for its witty, highly opinionated and conversational tone, as well as its categorization of cocktails into two main types: aromatic and sour; its categorization of ingredients into three categories: the base, modifying agents, and special flavorings and coloring agents ...
