Addiction to urgency is every bit as dangerous as other commonly recognized dependencies. The following list of characteristics comes out of recovery literature not even connected with time management. It deals primarily with addiction to such things as chemical substances, gambling, and overeating. But look at the similarities! 2. 4. 5. 6.

First Things First: The Urgency Addiction

we usually call things. But what is a thing? Man has so far given no more thought to the thing as a thing than he has to nearness. The jug is a thing. What is the jug? We say: a vessel, something of the kind that holds something else within it. The jug's holding is done by its base and sides. This container itself can again be held by the handle.
