The Mind Illuminated is a book which achieves exactly what it sets out to do: to be a practical guide to meditation. Culadasa (John Yates Ph.D.) comes at the subject from his unique perspective as a Buddhist and brain scientist, making the subject very accessible for people who might believe the practice is imbued with religion and mysticism.

The Mind Illuminated: A Complete Meditation Guide

"The Mind Illuminated" is the most brilliant book about meditation ever written, in any language, in any century. There is absolutely no Asian religion stuff, although crucial traditional
