The Quest for Reality, contains, amongst much else, a sustained and deeply illuminating investigation of the thesis Barry Stroud labels "subjectivism" about colours. The grounds he relentlessly amasses for rejecting the thesis are, in my view, compelling. There is a sense, indeed, in which I think they are more

Herzog's insight into reality is followed by his decision to integrate with mankind, which implies a reentry into mundane life and a consequent acceptance of alien standards. Toward the end of the novel. Herzog reaches a degree of consciousness whereby he is able to recognize and accept the inevitable coexistence of reality and artificiality which.
